## EDUCATION

### Bachelor Of Science in Computer Science Don Bosco Technical College

Jun 2019 - Jun 2023

- Cum Laude

## THESIS

"Geographic Information System (GIS) Assisted Assessment of Flood Hazard Areas and Improvement of Provincial Disaster Risk Reduction and Management Office (PDRRMO) Of the Municipality of Lingayen, Province of Pangasinan."

- Our aim is to support the PDRRMO by analyzing accurate flood hazard data, implementing mitigation measures, and improving the NDRRMP. GIS technology helps assess and map flood-prone areas, enhancing flood risk management and disaster preparedness.
